

Would you like to celebrate your nurse?

Share your story!

The DAISY (Diseases Attacking the Immune System) Award is an international recognition program that honors and celebrates the skillful, compassionate care nurses provide every day. The DAISY Foundation was established by the family of J. Patrick Barnes after he died from complications of the auto-immune disease ITP in 1999. During his hospitalization, they deeply appreciated the care and compassion shown to Patrick and his entire family. When he died, they felt compelled to say "thank you" to nurses in a very public way. Please say thank you by sharing **your** story of how a nurse made a difference you will never forget!

I would like to nominate [redacted] from the [redacted] unit/department as a deserving recipient of the DAISY Award.

- This nurse demonstrates University Medical Center's Nursing Core Values of Understanding, Mentoring, Compassion, Nurturing, and Outstanding. As a professional nurse, he/she exemplifies the kind of nurse that our patients, their families, and our staff recognize as an outstanding role model.

Please describe a specific situation or story that clearly demonstrates how this nurse made a meaningful difference in your care.

Please tell us about yourself, so that we can contact you to attend the celebration if the nurse you nominated is chosen for a DAISY Award.

Your name [redacted] Phone [redacted]

Email [redacted]

I am (please check one):
 Patient Visitor RN MD Staff Volunteer

Thank you for taking the time to nominate an extraordinary nurse for this award.

Please submit your nomination form to
